Dear Ms. Porter:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 6 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (248) 975-5053.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script, appearing to read "Angela Wilhelm".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

This facility is a two-story home located in Owosso, MI.

Rooms and levels approved for child care use:

The rooms approved for child care use on the main floor include: the living room, dining room, family room and kitchen. On the second floor, the approved rooms include the first bedroom on the left (baby room) and the bathroom.

Areas not approved: The basement and second floor bedrooms 2, 3 and 4 are all not approved for child care use.

Ages of children served:

Ms. Porter will serve children ages 0 to 12 years old.

Equipment:

Ms. Porter has an adequate amount of developmentally appropriate toys and equipment.

Proposed days and hours of operation:

The family home operates from 7:30 AM to 5:30 PM, Monday through Friday.

Previous or concurrent licenses, including children's foster care:

Ms. Porter was previously licensed under the child care license: DF780390013. She also holds a concurrent license: CF780391204 and understands she must follow all licensing rules, including maintaining a concurrent license.

Exiting information (including second floor and basement):

The exits on the main floor are the front door and the back door off the living room or the door to the garage. On the second floor, the exits are down the stairs and out the front door or out the window in room 1. The window has an exit sign over it.

Outdoor play area description:

The outdoor play area will be in the front yard until spring when Ms. Porter is able to put up a full fence in the back yard to prevent children from going by the river located in the back yard. Ms. Porter will always provide direct supervision of the children while

outside. Ms. Porter lives in a neighborhood with low traffic. She will put cones at the end of the driveway for the children to ride bikes and play with balls and chalk in the designated area. Her front yard is large, and she will block off a portion with cones as well for the children to play in the yard. Ms. Porter had a significant number of outdoor toys for children of all ages to play with outside.
