Dear Mrs. Komelkova:

This letter is to advise you that the 01/20/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1905(9) Training	Licensee and child care staff member did not complete the Health and Safety Refresher 2021 training.	Licensee and child care staff member will complete the training on MiRegistry.	2/02/2022
R400.1934(4) Heating; ventilation; lighting; radon	Licensee did not have a current radon test completed.	Licensee has purchased a radon test kit and will complete the test and submit results.	2/20/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
