RE: License #: DF810363423
Irina Komelkova
5078 Park Rd
Ann Arbor, MI 48103

Dear Mrs. Komelkova:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

On 2/7/2023, you gave us an acceptable written corrective action plan.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

The violations that were found are:

R 400.1905 Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

Licensee did not complete the 2022 Health and Safety Refresher Training.

R 400.1915 Indoor space; play equipment and materials.

(5) As required by section 15 of the children's product safety act, 2000 PA 219, MCL 722.1065, a licensee shall conspicuously post in the child care home an updated copy of the list of recalled or unsafe children's products that is provided by the department through its Michigan Child Care Matters (MCCM) online newsletter and available at the department's website www.michigan.gov/mccmatters.

Licensee had an outdated product safety recall list posted.

R 400.1944 Smoke detectors; fire extinguishers.

(3) A home shall have at least 1 functioning multipurpose fire extinguisher, with a rating of 2A-10BC or larger, properly mounted not higher than 5 feet from the floor to the top of the fire extinguisher, on each floor level approved for child use.

The fire extinguisher located in the kitchen was not mounted.

Technical assistance and consultation were provided for the following:

- R400.1945(1)(e)(2) Emergency; plan; drill. Emergency plans must include crisis management and evacuation and sheltering in place, relocation, and contacting and reuniting families. A sample emergency plan was provided to licensee.
- R400.1905(9) Training. A link was provided to licensee to complete the 2022 Health and Safety Refresher Training, as refresher courses are to be completed annually within six months of the notification being published by Department of Licensing and Regulatory Affairs or the Department of Education.

Sincerely,

A handwritten signature in cursive script that reads "Dalerie Hughes".
