Dear Mrs. Ahmadani:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/23/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

**R 400.1916 Bedding and sleeping equipment.**

(8) Soft objects, bumper pads, stuffed toys, blankets, quilts or comforters, pillows, and other objects that could smother an infant must not be placed with, under, or within reach of a resting or sleeping infant.

During my onsite inspection I observed a 7 month old to be resting with a blanket and a stuffed animal that is attached to a pacifier. Ms. Ahmadani stated this child sleeps with these items.

On 06/23/2023, you gave us an acceptable written corrective action plan.

Due to the infant safe sleep violation(s), all of your infant caregivers must take training on infant safe sleep. This must be included in your corrective action plan. In addition, a follow up inspection may be made to check compliance with the infant safe sleep rules.
