Dear Ms Dulock:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/26/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

On 07/26/2022, during an onsite inspection, three children were present. Upon arrival children were playing with various equipment during a free choice time. Shortly after, it was time to clean up. Children cleaned up and transitioned to doing a large group time activity including calendar and weather check as well as yoga. Children then had a bathroom break and washed hands before transitioning to the table for snack. During the inspection I observed Ms. Dulock interact appropriately with all children.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
