Dear Ms. Joshua:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/21/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the onsite inspection, there were no children present. A safety check was conducted, and consultation was given regarding renewal inspection next year.

As a result of the inspection, I did not find any rule or law violations.
