Dear Mrs. Yee:

This letter is to advise you that the 05/23/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(9) Training.	The licensee did not complete 2021 health and safety refresher course.	The licensee has registered for the 2021 health and safety course. She will ensure that in the future all courses are completed in the required time frame.	May 27, 2022
R 400.1908(1) Capacity.	The licensee exceeded the number for which her child care is licensed with 7 unrelated children present.	The licensee has ensured that in the future she will not go over the capacity in which she is licensed for.	Effective immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Janeiro Byrd".
