RE: License #: DF820283847
Byers, Donna
3881 Harold
Detroit, MI 48212

Dear Ms Byers:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

On 07/06/2022, during an onsite inspection, there were four children present. Upon arrival children were playing with legos and building various creations. Some children later transitioned to playing with cars. During the inspection I observed Ms. Byers interact appropriately with children.

The violations that were found are:

R 400.1905

Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

On 07/06/2022, Ms. Byers did not have the 2021 health and safety refresher course completed.

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(a) A completed child information card on a form provided by the department or a comparable substitute approved by the department.

On 07/06/2022, Two of the four children present did not have a completed child information card on file.

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(b) A child in care statement or receipt using a form provided by the department and signed by the parent certifying all of the following:

(i) Receipt of a written disciplinary policy.

(ii) Condition of the child's health.

(iii) Acknowledgement that the parent has been offered either a copy of the licensing rules for a child care home or has been given the website for an electronic copy of these rules.

(iv) Agreement as to who will provide food for the child.

(v) Acknowledgement that firearms are on the premises, if applicable.

(vi) If the child care home was built prior to 1978, then the licensee shall inform the parents of each child in care and all personnel of the potential presence of lead-based paint or lead dust hazards, unless the licensee maintains documentation from a lead testing professional that the home is lead safe.

On 07/06/2022, Two of the four children present did not have a completed child in care statement on file.

On 07/06/2022, you gave us an acceptable written corrective action plan.

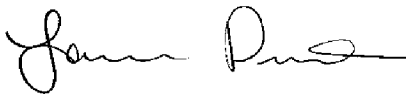

During calendar year 2021:	Total
