Dear Ms. Davison:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on February 1, 2023, I found two violation(s) listed below and explained in the attached report:

**R 400.1905(7) Training.**

**R 400.1905(9) Training.**

Due to the violations, you must send us a corrective action plan by February 21, 2023. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.

- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, a regular license will be issued. You will receive it in the mail.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

**Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.**

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1905            Training.**

(7) CPR and first aid training certification must be maintained according to the expiration dates on the individual's certification cards.

The licensee CPR expired in December 2022 and was not maintained according to the expiration date on her certification card.

**R 400.1905            Training**

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

The licensee did not complete health and safety refresher courses 2020 and 2021.

**REPEAT VIOLATION ESTABLISHED**  
**LSR Dated 09/13/2021**  
**Corrective Action Plan Dated 09/27/2021**

**IV. RECOMMENDATION**

Upon receipt of an acceptable corrective action plan, I recommend issuance of a regular license to this child care family home (capacity 1-6).
