Dear Mrs. Salamen:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 07/27/2022, I found 5 violation(s) listed below and explained in the attached report: listed below and explained in the attached report:

R400.1905(9)	Training
R400.1907(1)(b)	Child's record
R400.1907(1)(c)	Child's record
R400.1907(1)(d)	Child's record
R400.1945(4)	Emergency; plan; drill

Due to the violations, you must send us a corrective action plan by 08/17/2022. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.

- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905

Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

At the time of inspection, licensee had not completed any of the required training for health and safety.

R 400.1907

Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(b) A child in care statement or receipt using a form provided by the department and signed by the parent certifying all of the following:

(i) Receipt of a written disciplinary policy.

(ii) Condition of the child's health.

(iii) Acknowledgement that the parent has been offered either a copy of the licensing rules for a child care home or has been given the website for an electronic copy of these rules.

(iv) Agreement as to who will provide food for the child.

(v) Acknowledgement that firearms are on the premises, if applicable.

(vi) If the child care home was built prior to 1978, then the licensee shall inform the parents of each child in care and all personnel of the potential presence of lead-based paint or lead dust hazards, unless the licensee maintains documentation from a lead testing

professional that the home is lead safe.

At the time of inspection, licensee did not have any child in care statements for any of the children enrolled.

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(c) Documentation that immunizations and boosters, as recommended by the state department of health and human services, are any of the following:

- (i) Have been completed.
- (ii) Are in progress.
- (iii) Are not being administered due to religious, medical, or other reasons based on a waiver signed by the parent.

At the time of inspection, licensee did not have documentation of children's immunization records.

R 400.1907 Child's records.

(1) Prior to a child's initial attendance, a licensee shall obtain the following documents:

(d) If a parent objects to emergency medical treatment on religious grounds, the parent shall provide a signed statement that he or she assumes responsibility for all emergency care.

At the time of inspection, licensee did not have required document for emergency medical treatment.

R 400.1945 Emergency; plan; drill.

(4) Fire drills must be practiced while children are in care at least once quarterly, and a written record that includes the date and time it takes to evacuate must be maintained.

At the time of inspection, licensee did not complete the required fire drills from January 2022 to June 2022.

IV. RECOMMENDATION

Upon receipt of an acceptable corrective action plan, it is recommended that the license be renewed without change in status.
