Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1925 Comprehensive background check; fingerprinting.

(b) Maintain a copy of the completed and signed form(s) for each individual entered into the child care background check system under the license.

On 09/13/2022 Ms. Thomas did not have consent and disclosure forms on file for herself or any of her staff members. Ms. Thomas stated that all her staff members don't work for her anymore and she is going to disconnect them.

Technical assistance was provided to Ms. Thomas regarding updating all her child information cards and child in care statements as well as making sure all related children have child information cards and child in care statements filled out as well. Technical assistance was also provided regarding CCBC and disconnected or changing titles of those individuals that no longer work for Ms. Thomas.

A corrective action plan was requested and approved on 09/13/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
