Dear Ms. Anderson:

This letter is to advise you that the 10/11/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

R 400.1919(3) Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.	There was no written evidence on file that a member of the household had taken a tuberculosis test and was free from communicable disease.	Licensee has ensured that written evidence will be placed on file for adult household member.	10/12/2022
R 400.1932(1) Home maintenance and safety.	Large delivery boxes was sitting in the middle of the dining room floor. The home was not set up to reflect a child care family home.	Licensee has ensured that boxes will be removed and child care home will be set up to reflect a child care family home.	10/17/2022

R 400.1933(3) Water supply; sewage disposal; water temperature.	The entire bathroom is gutted with no water accessibility. The children do not have a toilet and/or sink to use. Ms. Anderson said the children are using the neighbor's bathroom in the upstairs flat, which is at a different address.	Licensee has ensured that the bathroom will be completed and functional for child use.	10/17/2022
R 400.1943(5) Exit requirements for each floor level used by children.	The entrance to the home was obstructed with drywall blocking the door. Once in the home, there was a table blocking the exit leading out the home.	The licensee has ensured that all exits are unobstructed with no equipment blocking the exits.	10/17/2022

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
