Dear Ms. Ervin:

This letter is to advise you that the 07/07/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

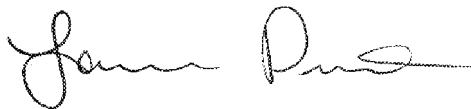

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R.400.1907(1)(b)	Five out of six records reviewed were missing completed and signed child in care statement	Ms. Ervin will make sure to get a child in care statement completed and signed for each child enrolled in care. In the future Ms. Ervin will have families fill out and sign a child in care statement before the child starting.	08/07/2022
R.400.1925	Ms. Ervin did not have a copy of the completed and signed consent and disclosure form.	Ms. Ervin will fill out and sign the consent and disclosure form and keep it on file.	08/07/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.
