Dear Ms. Neal:

This letter is to advise you that the 05/02/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

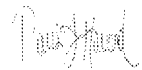

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(1) Training.	The licensee had not completed 10 clock hours of training for the 2022 calendar year.	The licensee will ensure that she and all staff members complete required annual training hours. The licensee will monitor monthly to ensure that she and staff complete requirements.	05/02/2023
R 400.1906(1)(g) Records of a licensee; child care staff member; child care assistant.	The licensee did not have assistant caregiver forms on file for her staff members.	The licensee will ensure that all staff have an assistant caregiver form on file. Ongoing, any staff member hired will have a caregiver form on file before caring for kids. The licensee will ensure that this is completed.	05/02/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
