Dear Ms. Link:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the onsite inspection, there were two children present. One child was taking their nap and the other one was having free choice time. They ate hot cereal with apples, celery, a wheat cracker, oranges, milk, and juice. Ms. Link provides her children with a clean and nurturing environment.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
