RE: License #: DF820400048
Home To Home Care
205 Kingsbury Avenue
Dearborn, MI 48128

Dear Ms. Almani:

This letter is to advise you that the 03/25/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|---|---|---|-----------------------------|
| R 400.1907(1)(a) Child's records. | Five of six child information cards were incomplete missing date of admission, employer name, parent signature and were not updated and initialed by parent after year of enrollment. | Licensee will ensure that all required children records are filled out and signed before child starts. | 4/1/2022 |
| R 400.1925(2)(a) Comprehensive background check; fingerprinting. | The licensee did not have consent and disclosure statements on file at the child care family home. | Licensee will ensure that a Consent and Disclosure statement is completed for each person fingerprinted in the home and kept on file. | 4/1/2022 |
| R 400.1933(4) | The hot water temperature was 138.2 degrees Fahrenheit in the bathroom. | The hot water heater tank has been adjusted to the appropriate | 3/24/2022 |

| | | | |
|---|---|---|-----------|
| Water supply; sewage disposal; water temperature. | | temperature of 120 degrees or less. | |
| R 400.1941(2) Heat producing equipment. | There was kitty litter, bleach, and mop buckets stored within 4 feet of the furnace and hot water heater. | All combustibles have been removed that were near the furnace and hot water tank. | 3/24/2022 |
| R 400.1945(1)(e) Emergency; plan; drill. | There was no written emergency response plan regarding crisis management. | The emergency plan will be updated and posted to reflect all emergencies including how to accommodate each one. | 4/1/2022 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,
