Dear Ms. Guider:

This letter is to advise you that the 03/07/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1907(1)(a)	On 3/7/2023, I reviewed all 16 child information records. All 16 records were incomplete. All 16 were missing the date of admission, 4 of the 16 were missing the child's date of birth, 7 of the 16 were missing allergy information, 5 out of 16 were not signed or dated, and 2 out of the 16 were missing physician information.	Child information cards will be updated. Licensee will ensure date of admission, allergy information, and physician information is listed as well as making sure all information cares are signed and dated.	4/7/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
