RE: License #: DF820410722
TG's Childcare
18075 Warrington Drive
Detroit, MI 48221

Dear Ms. Grimmett:

This letter is to advise you that the 11/10/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1903(1)(c) Licensee responsibilities.	The licensee failed to leave child care staff members with valid CPR and first aid certifications to act on her behalf when out of the home.	The licensee has ensured that both child care staff members will complete CPR and first aid training before they are left alone to act on her behalf.	Effective immediately
R 400.1903(1)(d) Licensee responsibilities.	The licensee failed to inform parents child care staff members are providing care for the children in her absence.	The licensee has ensured that she will provide written notice to the parents informing them when staff members are providing care for the children in her absence.	Effective immediately
R 400.1904a(2)(a) Child care staff member;	Two child care staff members were present during the onsite inspection. Two out of two	The licensee has ensured that both CCSM's will be certified in infant, child, and adult CPR	Effective immediately

employment requirements.	child care staff members failed to provide valid certification in infant, child, and adult CPR before caring for children at a child care home.	before being left alone to care for children at the child care home.	
R 400.1904a(2)(b) Child care staff member; employment requirements.	Before caring for children, two of two child care staff members failed to provide valid certification in first aid.	The licensee has ensured that both CCSM's will be certified in first aid before being left alone to care for children at the child care home.	Effective immediately
R 400.1904a(2)(c) Child care staff member; employment requirements.	Two of two child care staff members did not have proof of training in the prevention of infectious disease, including immunizations.	The licensee has ensured that both CCSM's will complete training in the prevention of infectious disease, including immunizations.	Effective immediately
R 400.1904a(3) Child care staff member; employment requirements.	One of two child care staff members present during the inspection was not determined by the department to be eligible to serve as a child care staff member prior to contact with the children.	The licensee has ensured that in the future all prospective staff members are determined by the department to be eligible to serve as a child care staff member prior to contact with the children.	Effective immediately
R 400.1906(1)(a) Records of a licensee; child care staff member; child care assistant.	The licensee did not maintain a file for each child care staff member which included the first and last name, address, telephone number, and date of hire.	The licensee has ensured that in the future a file will be maintained for each CCSM which includes the first and last name, address, telephone number, and date of hire.	Effective immediately
R 400.1906(1)(b) Records of a licensee; child care staff member; child care assistant.	The licensee did not maintain a file for each child care staff member including daily records detailing arrival times and departure times at the child care home.	The licensee has ensured that in the future a file will be maintained for each CCSM which includes daily records detailing arrival times and departure times at the child care home.	Effective immediately
R 400.1906(1)(f) Records of a licensee; child care staff member; child care assistant.	The licensee did not maintain a file for each child care staff member which included a completed	The licensee has ensured that in the future a file will be maintained for each CCSM which includes a completed and	Effective immediately

	and signed consent and disclosure form.	signed consent and disclosure form.	
R 400.1906(1)(g) Records of a licensee; child care staff member; child care assistant.	The licensee did not maintain a file for each child care staff member which included a written statement, signed and dated by the child care staff member indicating the individual is aware that abuse and neglect of children is unlawful, the individual knows that he or she is mandated by law to report child abuse and neglect, the individual has received a copy of the licensee's discipline policy.	The licensee has ensured that in the future a file will be maintained for each CCSM which includes a written statement, signed and dated by the child care staff member indicating the individual is aware that abuse and neglect of children is unlawful, the individual knows that he or she is mandated by law to report child abuse and neglect, the individual has received a copy of the licensee's discipline policy.	Effective immediately
R 400.1907(1)(a) Child's records.	Two of nine children's records were missing child information cards. Seven of nine child information cards were incomplete, missing the date of enrollment, date signed, date of birth, signature and physician's information.	The licensee has ensured that in the future each child enrolled has a child information card on file and all child information cards are completely filled out by parents before they are allowed to leave their child.	Effective immediately
R 400.1907(1)(b) Child's records.	Two of nine children's records were missing child in care statements. Seven of nine child in care statements were incomplete including missing signatures and completion of section 3 of the form.	The licensee has ensured that in the future each child has a child in care statement on file and all child in care statements are completely filled out by parent and licensee.	Effective immediately
R 400.1919(2) Communicable disease; immunization; mental and physical health; physician	Two of two child care staff members did not have a written statement, signed by a licensed physician or his or her designee within 1 year prior to caring for children, that attests to the	The licensee has ensured that in the future all CCSM's have a written statement, signed by a licensed physician or his or her designee within 1 year prior to caring for children, that attests to	Effective immediately

attestation; tuberculosis.	child care staff member's mental and physical health.	the child care staff member's mental and physical health.	
R 400.1919(3) Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.	Two of two child care staff members did not have written evidence of freedom from communicable tuberculosis (TB) prior to caring for children or living in the child care home.	The licensee has ensured that in the future all CCSM's have written evidence of freedom from communicable tuberculosis (TB) prior to caring for children or living in the child care home.	Effective immediately
R 400.1920(5)(a) Outdoor play area and equipment.	The outdoor play equipment did not have protective ground covering and was placed over hard- packed dirt and grass.	The licensee will purchase mulch or playground chips as protective ground covering for the outdoor play equipment.	Spring
R 400.1923(2)(d) Diapering and toilet learning.	The designated diapering area was heavily stained. The licensee was asked to remove the changing pad.	The licensee will purchase and replace the stained changing pad.	Effective immediately
R 400.1923(2)(e) Diapering and toilet learning.	The designated diapering area was not cleaned and sanitized after use.	The licensee has ensured that in the future designated diapering area is washed, rinsed and sanitized after each use.	Effective immediately
R 400.1924(2)(b) Hand washing.	The licensee did not wash the child's hands after diapering.	The licensee has ensured that all children hands are washed after diapering.	Effective immediately
R 400.1925(1)(d) Comprehensive background check; fingerprinting.	One of two child care staff members eligibility was not determined by the department prior to having unsupervised contact with the children.	The licensee has ensured that in the future prospective staff members are determined eligible by the department prior to having unsupervised contact with the children.	Effective immediately
R 400.1932(1) Home maintenance and safety.	The child care home was in disarray. There were toys, playdough, dishes, utensils, fast food containers on the floor in the living room, dining room and upstairs bedroom. Walls stained with dirt, dried up food stains and paint. The dining room table where the children use the computer	The licensee has ensured that clutter will be removed from the child play area, walls and floors will be cleaned daily and organized.	Effective immediately

	was unorganized and piled with clutter.		
R 400.1944(1) Smoke detectors; fire extinguishers.	The licensee could not locate the smoke detector for the basement.	The licensee has replaced the smoke detector located in the basement and will ensure it is maintained.	Effective immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

Janeiro Byrd, Licensing Consultant
