Dear Ms. Emory:

This letter is to advise you that the 06/29/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1932(1) Home maintenance and safety.	Ms. Emory did not ensure that her child care home is maintained in a clean, safe and comfortable condition. The home was observed to have excessive clutter in it, as well as animal feces on the floor where children pass through.	Ms. Emory will make sure the house and perimeter will be clean at all times, including the outside. At the end of the day and in the morning, Ms. Emory will designate specific time to clean at least one licensed area of her child care to ensure all children will be safe. Ms. Emory will also keep clutter to a minimum.	07/28/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
