Dear Ms. Weichel:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/31/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. I observed rest time and free-choice play.

Consultation was provided regarding to kitchen cabinets and cupboards. They are becoming too loose and starting to pull away from the walls. The facing material is starting to pull away in spots as well. These will become hazards if they are not fixed or replaced soon. Ms. Weichel stated she understands they are becoming hazards and she plans to replace them soon utilizing some of the grant funds.
