### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

I observed free-choice play, music and movement and lunch.

The facility is in compliance with all applicable rules and statutes.

### IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-12).
