R 400.1962(4) Department notification required; incidents; injury; accident, illness, death, or fire.	Child A received medical treatment due to an allergic reaction to a snack provided to him at Teri Hammond's child care home. Ms. Hammond did not submit a written report to the department.	Licensee will provide the department written notification of the incident/accident within 72 hours of the verbal/emailed notification.	7/1/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
