Dear Cheyenne Mott,

This letter is to advise you that the 12/06/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1920(5)(c)	The newly installed play structure is located within 6 feet of the fence.	Cheyenne Mott will move the play structure as soon as the weather permits, likely in March. She will not allow children to use the play structure until it is at least six feet from the fence and all other play structures.	03/31/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
