Dear Ms. Heydens:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations. Ms. Heydens was caring for two children and has eleven enrolled in her child care. She completed the health and safety training for all the topics in January 2021 so she did not have to complete the health and safety refresher course this year. Ms. Heydens will make sure that she completes refresher course for 2022 and obtain at least ten training hours. Ms. Heydens was informed of the grant and she stated that she has applied for it. I reminded her that there is supposed to be another grand opportunity this spring.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2020:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
