Dear Ms. Ancel:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 02/22/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. Ms. Ancel was caring for her three grandchildren and three child care children. They were very busy playing with Legos and playing school. Ms. Ancel was very attentive to the children during my inspection.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
