## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

Ms. Vigneaux is only caring for her three grandchildren currently. The one child was just picked up prior to my inspection. Ms. Vigneaux is up to date on all the new licensing rule changes and covid requirements. She has taken advantage of the child care relief grant to assist her in maintaining being open during the pandemic.

#### **IV. RECOMMENDATION**

I recommend no change in license status.
