Dear Ms. Kowalski:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/21/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

(2) Only space that has received prior approval for child use by the department may be used for child care.

During the inspection Ms. Kowalski had children sleeping in bedrooms on the main floor that have not been approved. One child was sleeping in a walk-in closet that was in a bedroom not approved for child care space.

Due to the violations, you must send us a corrective action plan by 4/01/23. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.

- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.
