Dear Laurie Torka,

This letter is to advise you that the 7/12/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1910(1)	When I arrived at the home, Laurie Torka informed me that her child care staff member just left to go get gas at the gas station. She was alone with 14 children. The child care staff member arrived at the home a few minutes after my arrival.	I will make sure there is always someone here	07122024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
