Dear Ms. Johnson:

This letter is to advise you that the 01/10/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
<b>R 400.1907 Child's records.</b>	There were three child information cards and two child in care statements that were not updated annually.	Ms. Johnson will have the parents review and update child in care statements and child information cards. She will make sure to have the parents update annually.	1/13/23 and ongoing
<b>R 400.1925 Comprehensive background check; fingerprinting.</b>	Ms. Johnson had two child care staff members connected to her comprehensive background check account that are no longer working for her.	Ms. Johnson will update her CCBC account and keep it updated.	1/13/23 and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
