Dear Ms. Schibelhut:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the interim inspection, I observed child playtime, clean up, and lunch preparation. Ms. Schibelhut spoke kindly to children and engaged in nurturing interactions with them throughout the inspection period. She turned clean up time into a game and assisted younger children with the clean up process.

As a result of the inspection, I did not find any rule or law violations.

I provided Technical Assistance on the following:

- Removing/replacing the broken screen door on the sliding glass door in the basement.

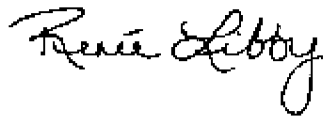

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (231) 922-5309.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
