Dear Ms. Baker:

This letter is to advise you that the 12/12/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1919(3)	One adult household member did not have evidence to show freedom from communicable tuberculosis prior to living in the home.	He will go to the doctor. Also, will not allow another person to move in without TB test.	12/16/2022
R 400.1925(1)	One household member did not complete a comprehensive background check to determine eligibility prior to moving into the child care home.	He will get fingerprinted. Also will not allow another person to move in without fingerprint.	12/09/2022

R 400.1935(1)	One gun safe in the garage containing firearms and ammunition was not locked or made inaccessible to children.	Will be more careful with the kids BB guns and will keep them in a different spot.	12/08/2022
R 400.1935(2)	Ammunition was not stored in a separate locked location inaccessible to children.	The safe will have a lock on it at all times.	12/08/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
