## IV. Description of Findings and Conclusions

The terms were updated on 08/17/2022.

**Rooms and levels approved for child care use:** The basement level of the home is approved for child care use. The main room and the bedroom at the bottom of the stairs on the basement level are approved. There is one bathroom available for child use.

**Areas not approved:** The main level of the home is not approved as child use space. The furnace room and one bedroom on the basement level is not approved for child use.

**Ages of children served:** Mrs. Baker-Hardacre will provide care for children from birth to 17 years of age.

**Equipment:** There is an adequate materials and equipment both inside and outside of the home for the capacity and age range.

**Proposed days and hours of operation:** The child care home will operate Monday through Friday from 6:00am-8:00pm January through December.

**Exiting information (including second floor and basement):** The main level of the home has two exits that lead directly outside. There is one exit that leads into the attached garage. The basement level of the home has the staircase to the main level and a window exit in the bedroom at the bottom of the stairs.

**Outdoor play area description:** The outdoor play area will be located in the back yard. The play area is completely fenced.

**V. Recommendation**

I recommend the main level of the home no longer be used for child care and the basement level of the home is approved as child use space.
