Dear Ms. Baker-Hardacre:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 01/13/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

	(1) The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 6 children. The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age: (a) Children of the licensee. (b) Children of a child care staff member or child care assistant. (c) Children related to any member of the household by blood, marriage, or adoption.
The licensee did not have a qualified child care staff member present when caring for 11 child care children.	
R 400.1941	Heat-producing equipment.

	(2) Combustible materials and equipment must not be stored within 4 feet of furnaces, other flame or heat-producing equipment, or fuel-fired water heaters.
Combustible materials and items were within 4 feet of the furnace.
