RE: License #: DG130094748
Karen Craven-Bates
5519 22 Mile Road
Homer, MI 49245

Dear Ms. Craven-Bates:

This letter is to advise you that the 11/03/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
MCL 722.115n(1) Application for or renewal of license to operate child care center, group child care home, or family child care home; household member or child care staff member; criminal history check; requirements; duties of department.	One adult household member has not completed a comprehensive fingerprint background check.	The licensee will have the adult household member complete and sign the consent and disclosure form, enter their application into the child care background check system, and assign them to complete their comprehensive fingerprint background check. The adult household member will go this appointment and submit fingerprints for the comprehensive background check.	11/11/2022

R400.1905(9) Training	The licensee and one child care staff member have not completed required health and safety refresher trainings.	The licensee and one child care staff member will take all required health and safety trainings/refreshers. Moving forward they will complete the refresher and any other trainings required by LARA annually by due date.	12/31/2022
R400.1944(1) Smoke detectors; fire extinguishers	The smoke detectors were pulled off the wall in two of the bedrooms where children were napping.	Licensee will put the smoke detectors back up and make sure they are in working order.	11/03/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions at (269) 568-2686. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

Roxanne Duckworth, Licensing Consultant
