Dear Fay Washington:

This letter is to advise you that the 08/08/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1961 Parent notification required; incidents; accidents; illness; disease; isolation.	Fay Washington did not promptly report Child A's accident outdoors to Child A & B's Mother. Child A tipped his baby walker over around 11:50 AM on June 21, 2023. Fay Washington, CCSM 1, and CCSM 2 all noticed a pin-size mark near his right eye but did not promptly report the injury to Child A & B's Mother.	The licensee stated that moving forward she would immediately report accidents to parents after they occur.	08/09/2023 Immediately

	Then when Child A woke up around 3:00 PM, Fay Washington, CCSM 1, CCSM 2, and CCSM 3 all saw bruising and redness on Child A's face, but the changes in Child A's health were not reported to Child A & B's Mother until she picked him up at 4:00 PM.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,

Carrie Harris, Licensing Consultant
