## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

**TECHNICAL ASSISTANCE**

**R 400.1907(3)** Attendance should be completed as occurs-not prefilled or completed at a later time/date.

**R 400.1919(1)** Health appraisals should be completed at renewal. Licensee has physical scheduled.

**R 400.1931(8)** All bottles must be labeled and dated with child's name. Any food brought to child care must also be labeled.

It is imperative that any volunteers or child care staff have completed all required trainings and background checks for any unsupervised contact with children.

**IV. RECOMMENDATIONd**

I recommend issuance of a regular license.
