Dear Ms. Jorgensen:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 12/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

**R 400.1931 Food preparation and service.**  
(13) Children shall not have beverage or food containers when they are in bed or when they are walking around or playing.  
There was a bottle containing liquid in a portable crib with a sleeping toddler.

On 12/1/2022, you gave us an acceptable written corrective action plan.

During the inspection, I observed children resting and engaged in developmentally appropriate activity. The home is clean and well maintained.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
