Dear Ms. Maleport:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/09/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection the programming I observed included rest time. I observed the caregiver's interactions with the children in care to be developmentally appropriate and responsive to their needs.

The violations that were found are:

**R 400.1923          Diapering and toilet learning**

(2) The designated changing area must comply with all of the following:

(d) Have a nonabsorbent, easily sanitized surface with a changing pad between the child and the surface.

The diapering pad had several rips and could no longer be sanitized.

During the exit conference, I provided technical assistance and consultation on the following: no chipping paint is allowed on outdoor play equipment.

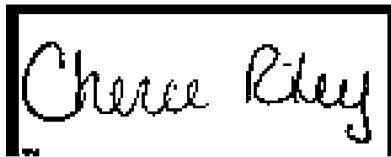

On 5/9/2023, you gave us an acceptable written corrective action plan.

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
