Dear Ms. Bennett:

This letter is to advise you that the 07/18/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R400.1908	During the inspection, 13 children were present in the home.	I will not have more than 12 kids at any given time until the capacity changes.	Immediate.
R400.1910	During the inspection, 13 children were present in the home.	I will not have more than 12 kids at any given time until the ratio changes	Immediate.
R400.1923 (2) (a) & (d)	Diapers were being changed on an ottoman in the living room area. The ottoman had a sheet-type cloth cover pulled over it and kept on with elastic. A changing pad was placed over the cloth during diaper changes. The cloth was changed once per day.	I will change the kids in the nap room or bathroom with a non-absorbent and easily sanitized surface with a changing pad under the child.	Immediate.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
