Dear Ms. Richards:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 09/22/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived on-site Ms. Richards was present with two unrelated children in attendance. The children were coloring and drawing pictures. Once the children finished coloring and drawing, Ms. Richards assisted the children as they played with blocks and Legos. Ms. Richards was nurturing and attentive throughout the visit.

Technical assistance and consultation were provided to Ms. Richards in the following areas:

- Ms. Richards was provided a link for child care staff member Brian Richards to complete a missed health and safety refresher from 2020.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
