Dear Ms. Brown:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/02/2021 and 06/16/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection on 06/02/2021, Ms. Brown and one child care staff member were providing care to ten unrelated children. The group was engaged in free choice outside. Ms. Brown has a variety of equipment accessible for children's use.

Ms. Brown also has a sufficient amount of developmentally appropriate equipment accessible for children to use inside her home. The equipment is well organized and inviting. During the inspection, I reviewed diapering procedures, infant safe sleep, fire safety, and daily activity programming.

On 06/16/2021 I returned to complete the interim inspection. Ms. Brown and one child care staff member were providing care to thirteen children; twelve unrelated children and one related child over the age of six years old. Some children were resting while other children were engaged in quiet activities. Three infants/toddlers were in the kitchen in high chairs eating snack. While onsite, I reviewed Ms. Brown's emergency procedures and found the documents to be well written, thorough, and easy to follow.

As a result of the inspection, I did not find any rule or law violations.

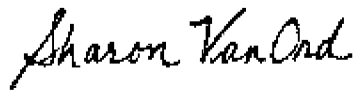

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
