Dear Mrs. Ramsey:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/06/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Ramsey and two child care staff members were providing care to nine children. Children were just beginning to rest. Earlier in the day, children worked on making ornaments. For lunch, Ms. Ramsey served popcorn chicken, veggie straws, grapes, cucumbers, and milk.

I reviewed diapering procedures, infant safe sleep, fire safety, staff, and children’s records. Ms. Ramsey provides an environment that is organized, inviting, and conducive to learning. She has a sufficient amount of developmentally appropriate equipment accessible for children to use. Ms. Ramsey provides a play-based experience for children that includes activities such as games, puzzles, art which includes letters, shapes, literacy, fine and large motor skills.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
