Dear Ms. Chamberlain:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/31/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Chamberlain was providing care to one unrelated child. The child was beginning to watch a Mickey Mouse cartoon on the television; however, he quickly joined Ms. Chamberlain and I at the table and used a pen to write on paper.

Ms. Chamberlain has a sufficient amount of developmentally appropriate equipment accessible for children to use in the play room. The equipment is well organized and inviting.

During the onsite inspection, I reviewed diapering procedures, infant safe sleep, fire safety, and daily activity programming. Ms. Chamberlain provides activities such as games, puzzles, art which includes letters, shapes, literacy, fine and large motor skills.

During the inspection I provided technical assistance to Ms. Chamberlain for the following:

- Sample emergency plans were provided and reviewed
- Updated forms for Child in Care Statements were provided and reviewed
- Reminder to update child information cards, including allergy section

At this time, Ms. Chamberlain does not have any child care staff members assisting her. She understands before child care staff members return to work, each is required to complete Health and Safety Course 1 and Course 2.

As a result of the inspection, I did not find any rule or law violations.

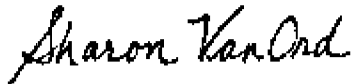

<b>During calendar year 2020:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>
