Dear Ms. Lange:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the inspection, Ms. Lange was providing care to five children. One child was sleeping, two were watching a child-oriented television show while resting, and two infants were awake.

Ms. Lange has a sufficient amount of developmentally appropriate equipment for children to choose from. The equipment is well organized and accessible. Ms. Lange uses kind and nurturing communication skills with the children.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

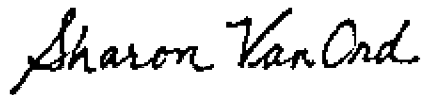

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A
