Dear Ms. Hansen:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/22/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the interim inspection, Ms. Hansen was providing care to six children; one related and five unrelated children. Children were observed to be just waking from nap. Ms. Hansen assisted the children transitioning from nap, bathroom use, and then snack. Ms. Hansen is warm and nurturing to children; providing a positive environment for children. She has a sufficient amount of developmentally appropriate equipment accessible for children to use. The equipment is well organized and inviting. During the onsite inspection, I reviewed fire safety, paper work, and daily activity programming.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
