Dear Mrs. Clement-LaRoche:

This letter is to advise you that the 07/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 4001907(1) Child's records.	Of the 24 child information cards reviewed, 13 of them were missing some information.	Fawn reviewed all of the child information cards and has asked parents to complete them as they come in to ensure all missing information is received or "unknown" or "none" is written in the blank. Staff have been reminded of this as well.	7/1/22

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in cursive script that reads "Michelle A. Marenger".
