RE: License #: DG210399159
Fawn's Home Daycare
2613 18th Road
Escanaba, MI 49829

Dear Ms. Clement-LaRoche:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

CONSULTATION:

- One recommendation discussed is to update all child information cards during the same month each year. This way, it is easier to track when yearly updates are due.
- When I first arrived at the inspection, the licensee was not present. Three child care staff members were working and they didn’t know where the records were kept. Even though they have parent information on their phones, they need to be shown where records are kept. It’s also a good idea to show them where the fire extinguisher is located and how to use it.
- The recall list posted was not the most current list and needs to be updated.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
