Dear Ms. Rodriguez:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 09/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

During the inspection I observed children transitioning, having a snack, and enjoying free play. I observed positive and nurturing interactions between Ms. Rodriguez and the children in her care. Ms. Rodriguez reported she uses a workbook from the public school called Preparing for Kindergarten with her preschool age children September through May. She does learning activities and addresses all the developmental areas with all of the children in her care.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
