Dear Ms. Kloeckner:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 11/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of the inspection, I observed free play. Ms. Kloeckner interacts with the children in a nurturing manner. She stated she creates her own curriculum that addresses all the developmental needs of the children in her care.

- I reviewed the following rules with Ms. Kloeckner:
- R 400.1905: Training
- R 400.1907: Child’s records
- R 400.1920: Outdoor play area and equipment
- R 400.1923: Diapering and toilet training
- R 400.1932: Home maintenance and safety
- R 400.1941: Heat producing equipment

As a result of the inspection, I did not find any rule or law violations.

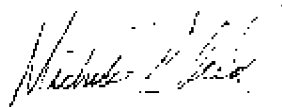

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
