RE: License #: DG230313691
KariJo Beckler
4908 W. St. Joseph
Lansing, MI 48917

Dear Ms. Beckler:

This letter is to advise you that the 07/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1904b(3)(a); Child care assistant; requirements.	There were two child care staff members that did not have a valid certification in infant, child, and adult CPR and the 90 days of hire had passed.	The two child care staff members will complete infant, child, and adult CPR and the certification will be kept in the staff files. Moving forward, all new child care staff members will be immediately scheduled for their CPR certification and the timeframe will be monitored by Kari Beckler or her designee.	08/05/2022 and ongoing

R400.1932(2) Home maintenance and safety.	There was breathing medication and nail clippers sitting on the fireplace mantel in the licensed living room. There was two bottles of vitamins, cords, a lighter, a shaver, deodorant, and perfume being stored in a licensed area in a drawer/cupboard that was not secured.	The breathing medication and nail clippers were moved at the time of the inspection and will not be left out during child care hours. The two bottles of vitamins, cords, a lighter, a shaver, deodorant, and perfume being stored in a licensed area in a drawer/cupboard have been secured. All hazardous and dangerous items will be stored securely during child care hours. Kari Beckler will check the home each morning prior to care to monitor this.	06/07/2022 and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9727.

Sincerely,

Michelle Gleed, Licensing Consultant
